A RESOLUTION OF THE
FRANKLIN SPECIAL SCHOOL DISTRICT BOARD OF EDUCATION
SUPPORTING PASSAGE OF HB 1376 / SB 1854,
WHICH IMPROVES THE ACCURACY OF STATE DATA REPORTING

WHEREAS, the Franklin Special School District Board of Education ("Board") is the local governmental body responsible for providing a public education to students and families within the boundaries of the Franklin Special School District; and

WHEREAS, the Board appreciates the difficult task performed by the Department of Education in tracking and reporting data related to school districts around the state; and

WHEREAS, the Board believes that it is critical for such data to be fully transparent, accurate, and readily accessible by school personnel, parents and families, and the public at large; and

WHEREAS, the Board recognizes that with such a large system for tracking and reporting that inadvertent errors may occur occasionally; and

WHEREAS, it is important for a reasonable system for the correction of errors to be in place, so that the data reported is as accurate as possible; and

WHEREAS, the Board supports efforts to establish a reasonable and appropriate system for the correction of testing and demographic errors in state reported data;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

The Franklin Special School District Board of Education supports the passage of HB 1376 / SB 1854, which directs that a school system shall have up to ten working days following a data release by the Department of Education in which to correct any testing and demographic errors which may have occurred.
